## INFANT WARMING MATTRESS CALIBED - REF. 1085

A protective cocoon for newborn babies

REF. 1085  
positionned here  
into a baby cot

The médipréma **CALIBED warming mattress** provides the ideal and constant temperature that newborn babies need to feel secure. This protective heat also offers feather-soft comfort for baby. The Calibed warming mattress is removable and can be used in any type of cradle. Calibed provides child's skin temperature monitoring. The high and low alarms prevent any risk of hypothermia or hyperthermia.
