INFANT WARMING MATTRESS
CALIBED - REF. 1090, 1091

A protective cocoon for newborn babies

REF. 1090/1091

The médipréma **CALIBED** **warming bed** provides the ideal and constant temperature that newborn babies need to feel secure. This protective heat also offers feather-soft comfort for baby. Exclusive to médipréma, Calibed provides child's skin temperature monitoring. The high and low alarms prevent any risk of hypothermia or hyperthermia.
